Theresa,

That's what we had been using, but the report Leticia just sent me has the times so I can see how many hours the ship will be here. We never had that before. It will be very useful to us.

Thanks!

Subject: Re: LACT Vessel Schedule 2017, 2018 & PCL 2019

Leticia,

Thank you for the schedule. I wanted to set up a schedule to meet regarding the trolley schedule for next cruise season. Who would be the correct people to meet with?

In addition to the trolleys we ran for pre-arranged days with Princess Cruise Lines, we ran a pilot program this past season to test additional days of ridership. It was difficult because we had limited information.

We are looking for the right balance as to when to run the trolleys. For example, last Friday there was a ship here all day long and we didn't know about it. We saw several people walking around downtown San Pedro. We could have provided a much better experience for the passengers if we had run the trolleys.

I really appreciate your sending me the schedule. This will help us plan better for next season.

I look forward to meeting with someone soon.

Thank you for your assistance.

Best regards,

Lorena Parker
